## Quick Facts

- Bobby's Hospice is the most cost-effective way of caring for the 50-70% of palliative patients who cannot stay home to die and do not require costly hospital care.
- Gov'ts cost of caring for 130 palliative patients in hospital @ \$1,000/day for 25 days      \$3,250,000
- Gov't's cost of caring for these same patients at Bobby's Hospice @ \$235/day      \$ 766,500
- Annual reduced costs to government when patients are cared for at Bobby's Hospice      \$2,483,500  
With additional savings in medication coverage, etc.

***THANK YOU FOR INVESTING IN BOBBY'S HOSPICE!***
