

“Our family cannot express how much we appreciate you – the Bobby’s Hospice Family. I had told everyone that the best place Mom could be, if not at home, would be Bobby’s. Even though I had described to them all what we would experience, words did not do it any justice.

Only by experiencing the care & devotion of this incredible team can one understand. From the moment the doors opened to welcome Mom, until they closed to say farewell, the care was incredible. Our sincere and heartfelt thanks!” – A Family

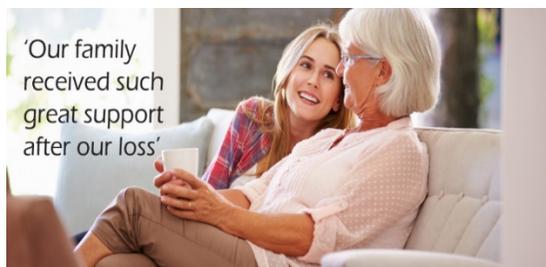

On November 1, 2010, Atlantic Canada’s first residential hospice, Bobby’s Hospice, opened to the public. Since opening our doors, we have provided quality, personalized and dignified care to nearly 900 people who needed in-patient palliative care outside of the hospital setting. **EVERY YEAR HOSPICE....**

- Raises over \$1M to provide free palliative care and grief support to over 170 people and families at Bobby’s Hospice who are living with terminal illness and coping with loss.
- Frees up over 3,500 hospital bed days.
- Helps the NB Government reduce the costs for in-patient palliative care by \$2.5M+.
- Has over 200 volunteers donating 15,700 hours of support valued at \$200,591.

**Our generous community has supported us every step of the way and we can’t thank you enough!
Because you care, we are able to care for others when they need it the most.**
