

A few years ago one of our customers came to the Shoppe looking for a wedding dress for her niece. After inquiring about size etc., we discovered that the wedding was taking place that week and that the groom was a patient at Bobby's Hospice. We gathered a wedding dress, shoes, jewelry, shirt, tie and we were able to outfit both the bride and groom.

After checking with the family and staff at Bobby's, my co-manager, Lynn and I went to Bobby's on the wedding day to "watch from the wings". True to the motto "*Your journey, your way.*", Bobby's staff and volunteers helped to make this wedding romantic and beautiful including music and décor.

The most outstanding memory that I have of this day was seeing the groom arrive at the chapel inside Bobby's Hospice in his wheelchair. To me he looked so weak and very ill, but as soon as he saw his bride, his posture straightened and his face took on a happy glow and a wonderful transformative smile.

There were tears of happiness all around. The ceremony was beautiful and touching and we felt very privileged to be a small part of their big day. All of us at the Hospice Shoppe are honored to support the work of Bobby's Hospice.
