

## Barb MacGorman

In September 2016, the MacGorman Family served as the Honorary Hospice Family for the Memorial Walk in honor of 76 year old Clinton MacGorman who spent the last 53 days of his life at Bobby's Hospice.

*“Our family was privileged to learn first-hand the care and compassion of the earth bound Angels who make Bobby's Hospice what it is,”* said Barb MacGorman. *“My husband and father of our three children was placed in their care for eight weeks at the end of his 6 year journey with cancer. When issues arose the nurses and doctors and special volunteers knew exactly what to do. From medication adjustments to small, yet decisive acts that gave Clint the ability to be more mobile and confident in his abilities. All these things made Clint live more peaceful and dignified in his last weeks.”*

*“Seeing this amazing, compassionate and professional staff in action has made me want to encourage everyone who can, to help with fundraising to keep Bobby's Hospice open for others in our community who need their special care.”*

Barb became a spokesperson and strong supporter of Bobby's Hospice. She purchased items from our Wish List and donated them to Bobby's Hospice and became a regular at our weekly BBQ's. We look forward to seeing her again this year when the BBQ's get started on Friday, June 7, 2018.
